Bowl Bars

Toilet Bowl Cleaner

Product #BB9137

BOWL BARS are uniquely designed rim cages that provide a continual cleaning solution that leave the surrounding area smelling fresh. BOWL BARS have a unique “after flow” holder, which releases the cleaner, deodorizer and fragrance as the toilet bowl refills without running down the side of the bowl or streaking. BOWL BARS contain enzyme producing, odor-eating biocultural that digest organic material and waste, keeping the drains running freely. BOWL BARS are biodegradable.
