

## BLUE POWER +

BLUE POWER + is a premium quality, concentrated butyl cleaner and degreaser. BLUE POWER + is a truly heavy-duty degreaser and cleaner, with dilution rates up to 100:1. BLUE POWER + combines a high butyl content, with silicates, wetting agents, rust inhibitors and other special ingredients to form a premium high-powered product.

BLUE POWER + will work in any type of water hardness and temperature. BLUE POWER + quickly attacks and emulsifies greases and oils as well as decarbonizes. Can be used on most metals except aluminum. If you've tried other products that have not worked, it's time to let BLUE POWER + get the job done!
