Con Clean

Heavy Duty Concrete Cleaner

Product #QCC919

CON CLEAN is a heavy duty cleaner and brightener that is easy to use. Use straight or dilute as needed, spray on and let stand, then rinse. No scrubbing or scraping is necessary to make your concrete look like new. CON CLEAN removes discoloration caused by rust, scale, mineral deposits, algae and more. CON CLEAN can be used to clean concrete mixers, trucks, trailers, and other equipment.

Areas of Use:

- City & County Yards
- Concrete Mixers & Suppliers
- Resorts
- anywhere else there are concrete walkways, patios, or common areas
- Apartment Complexes
- Hospitals Facilities
- Hotels

Effective Against:

- Discoloration
- Rust
- Scale
- Mineral Deposits
- Algae

Contract # 47QSWA20D0008

Advantage!
www.usaadvantage.gov

Directions for Use:

For concrete or masonry surfaces: dilute 1 part Con Clean with 4 parts water. Apply to surfaces, allow to stand until the product has stopped foaming and rinse with water.

For ready-mix trucks and equipment: apply to mixer and surrounding areas, not for use on enamel paint surfaces of truck cabs. Dilution rates may vary due to the severity of soil conditions.

Specifications:

Classification	Liquid
Color	Milky white
Odor	Slight
Boiling point (liquid only)	212°F
Solubility in water	Easily soluble
Flammability	Will not burn
