Eco Seal

Drain Trap Sealer & Deodorizer

ECO SEAL is an all natural drain and trap deodorizer and sealer. ECO SEAL is excellent for use in no flush waterless urinals. It creates a non soluble seal of a deodorizing liquid in the trap that won't dry out. Works well at solving odor problems from dried out traps, keeping them wet and odor free. It has a pleasant cherry fragrance to give instant and long lasting odor relief. Environmentally friendly, all natural and biodegradable.

Product #QGS484

Areas of Use:

- Waterless no flush urinals
- Toilets
- Floors & Shower Drains
- Sinks
- Condensate Drains
- UnPrimed Drains
- Dried Out Drains
- Unused Drains
- Holding Tanks

Effective Against:

- Sewer Vapors
- Odor Relief

Directions for Use:

Waterless urinals: add 3 ounces of Eco Seal directly into the urinal. When deodorizing no longer takes place, add another 3 ounces.
Dried out drains: add 1 gallon of water, then add Eco Seal as follows:
 < 2" drains - add 3 ounces of Eco Seal
 3"-4" drains - add 6 ounces of Eco Seal
 > 4" drains - add 9 ounces of Eco Seal
