Enzy Frenzy

Odor Eliminator

ENZY FRENZY is an active odor eliminator designed to counteract organic odors from human and animal waste, urine, body odors and fecal matter. ENZY FRENZY uses natural bio-enzyme power to digest organic wastes and eliminate the odors they generate.

Areas of Use:

- Offices
- Hospitals
- Schools
- Veterinary Clinics
- Hotels
- Restrooms
- Kennels
- Trash Bins
- Automobiles
- Kitchen Areas
- Carpet & Upholstery
- Anywhere else malodors exist

Effective Against:

- Malodors
- Stale air
- Pet Odors
- Body Odors
- Foul Odors
- Cigarette Odors
- Any other malodors

Directions for Use:

Surface Odor Control: Clean area completely before treatment. Spray product liberally into trash bins or on walls and surfaces where organic odors are a problem. Be sure to thoroughly wet entire area for best results. Allow drying.

Carpet & Upholstery: Prior to use on carpet and upholstery, spray product in an inconspicuous spot to ensure textile is unaffected. After cleaning carpet and while textile is still damp, spray entire area to be treated liberally then allow drying.
