Ice Off “A”

Frost & Ice Remover

This aerosol formulation is a fast, simple and safe way to quickly melt ice and frost from windows, windshields and headlights. It is effective on door, ignition and trunk locks, steps and equipment. Improves traction of wheels on ice. Prevents fogging when applied to inside of window.

Areas of Use:

- Windshields
- Windows
- Headlights
- Taillights
- Door Locks
- Hoods
- Hinges
- Trunks
- Freezer Compartments
- Chillers
- A/C Equipment

Effective Against:

- Ice
- Frost
- Snow

Directions for Use:

Shake well before using.

To de-ice windshields: Spray liberally and turn on windshield wipers for faster results.

To thaw a frozen lock: Spray liberally directly into lock; wait approximately 30 seconds, then try key

To prevent fogging of inside windows: Wipe with a clean cloth dampened with product.
