Nex Patch

Roof Repair

NEX PATCH is an asphalt based roof patching compound that has been specially formulated for use in an aerosol can. NEX PATCH provides a durable, flexible, reflective, rubberized coating which seals and acoustically reduces unwanted vibration and sound. NEX PATCH stays pliable in the cold of winter, and yet will not sag, melt or drip in the heat of summer.

Nex Patch “M” silver colored roof patching
Nex Patch “R” black colored roof patching
Nex Patch “W” white colored roof patching

Areas of Use:

- All Roofs
- Gutters
- Flashings
