Plug Away

Drain Opener

PLUG AWAY a powerful, super potent caustic drain opener and maintainer. PLUG AWAY is heavier than water, which enables it to seek out and eliminate the problem area. Since PLUG AWAY contains no acids, it is completely odorless when used. PLUG AWAY quickly opens grease clogged pipes by converting problem grease into a liquid soap which washes away freely.

Areas of Use:

- Schools
- Hospitals
- Industrial Plants
- Recreation Areas
- Public Restrooms
- Bus Stations
- Airports
- Railway Stations
- Nursing Homes
- Municipal Buildings
- Hotels, Motels

PRECAUTIONS: Do not use before partially opening drain. Do not stand over and look into drain after applying. Never use product with acid bowl cleaners, sulfuric acid drain openers or any other chemicals. Do not plug opening, use a plunger or pressurized drain opener while product is in the drain.

Directions for Use:

For Drains: Pour 1/2-1 quart slowly into the drain. Allow to work for 30 minutes. For difficult obstructions, a second application may be needed. Where there is a history of obstructions, the regular use of this product at weekly intervals (or more often if required) will keep the line open and free flowing.

Specifications:

Classification	Liquid drain opener
Color	Red
Odor	Negligible
Boiling point (liquid only)	291°F
Solubility in water	100%
pH	14.0
