Slime Out

A/C Condensate Pan & Drain Line Cleaner & Deodorizer

Product #LSO539

SLIME OUT is an air conditioner condensate pan and drain line cleaner and deodorizer. SLIME OUT is a revolutionary concept in algae and slime control for air conditioning refrigeration equipment. Avoid clogging from the start by adding SLIME OUT to condensate pans of all air conditioning refrigeration units. SLIME OUT eliminates odors and keeps drain tubes flowing freely. SLIME OUT is completely environmentally safe, biodegradable, non-toxic, non-fuming and non-corrosive

Areas of Use:

- All A/C Drain Lines & Condensate Pans
- Refrigeration & Evaporative Coolers
- Humidification Systems
- Water Fountain Systems
- any other cooling system with a condensate pan

Effective Against:

- Algae
- Slime
- Scum
- Odors

CAUTIONS: Avoid contact with eyes. If contact occurs, flush with water for 15 minutes while holding the upper and lower lids open. If irritation persists, see a doctor immediately.

Directions for Use:

Apply Slime Out on a clean surface before any clogs have formed. If clogs already exist you must clean first before applying product.

Specifications:

Classification	Liquid slime digester
Color	Blue
Odor	Fruity
Boiling point (liquid only)	212°F
Solubility in water	Complete
Flammability	Non flammable
