### Coil-O-A Plus

*Cleaner and deodorizer*

Coil-O-A Plus is a non-abrasive cleaner and deodorizer for evaporator coils in small air conditioners, commercial air handling equipment, HVA C cooling coils and refrigeration equipment. Controls mold and mildew. Cleans and deodorizes. Cuts grease and grime without scrubbing. Designed to purify the coil as it cleans. This proprietary quaternary ammonia compound formula will help open up restricted air flow due to build up in the coil surface, advance heat transfer, reduce head pressure and optimize system capacity when the condenser and evaporator coil are cleaned on a regular preventative schedule. This specialized coil cleaner helps improve indoor air quality and aids in the breakdown of cold water slime in the pan.

#### Areas of Use:

- Air Conditioners
- Central Cooling Systems
- Auto A/Cs
- Refrigerators
- Freezers
- Hotels/Motels
- Commercial Buildings
- Homes
- Air Conditioner Services
- Auto and RV repair services

#### Effective Against:

- Mold
- Mildew
- Dirt
- Grease
- Grime
- and much more!

#### Directions for Use:

Apply only when unit is not running!

Shake well prior to using

Coat the entire surface positioning can 6 to 8 inches from surface

Let dwell for up to 5 minutes depending on severity of buildup on the surface to be cleaned

Turn A/C unit on, no rinsing is required on the evaporator coil.

Product #ACO119

**NEXGEN**  
BRAND

#### Specifications:

Classification	Hygienic coil cleaner
Color	Foam
Odor	Mint
Flashpoint	Non flammable
Solubility in water	Soluble
pH	13
VOC	12.5%
Propellant	Liquefied Petroleum Gas

**Certified 100% Women-Owned Small Business**

**Dedicated to Integrity • Reliability • Quality Products • Friendly Service**

**Our Products are Made in the USA and we Proudly Support Veteran Endowments**
