

## PRO-LINE INDUSTRIAL PRODUCTS

### Coil-O-A Plus

#### *Hygienic Coil Cleaner*

Coil-O-A Plus is a non-abrasive cleaner and deodorizer for evaporator coils in small air conditioners, commercial air handling equipment, HVA C cooling coils and refrigeration equipment. Controls mold and mildew. Cleans and deodorizes. Cuts grease and grime without scrubbing. Designed to purify the coil as it cleans. This proprietary quaternary ammonia compound formula will help open up restricted air flow due to build up in the coil surface, advance heat transfer, reduce head pressure and optimize system capacity when the condenser and evaporator coil are cleaned on a regular preventative schedule. This specialized coil cleaner helps improve indoor air quality and aids in the breakdown of cold water slime in the pan.

#### Areas of Use:

- Air conditioners
- Auto Air conditioners
- Refrigerators
- Freezers
- Hotels/motels
- Homes
- Commercial buildings
- Central cooling systems

#### Effective Against:

- dust
- dirt
- grease
- build up

#### Directions for Use:

Apply only when unit is not running. Shake well prior to using. Coat the entire surface positioning can 6 to 8 inches from surface. Let dwell for up to 5 minutes depending on severity of buildup on the surface to be cleaned. Watch the breakdown of dust, dirt, grease, etc. while the expanding foam begins to work. Turn A/C unit on, no rinsing is required on the evaporator coil.

Product #ACH400

**NEGEN**  
BRAND

#### Specifications:

Classification	Hygienic coil cleaner
Appearance	Foam
Odor	Mint
Flash point	Non flammable
pH	13
Solubility in water	Soluble
VOC	12.5%
Propellant	Liquified Petroleum Gas

**Certified 100% Women-Owned Small Business**

**Dedicated to Integrity • Reliability • Quality Products • Friendly Service**

**Our Products are Made in the USA and we Proudly Support Veteran Endowments**
