## Nexgen Liquid Ice Melt

*Ice Melt*

Product #GLM275

NEXGEN LIQUID ICE MELT quickly penetrates and dissolves frost, snow and ice accumulations and prevents further build-up. It will not leave a residue on floors, and will not cause damage to or form residue on asphalt, concrete, terrazzo, aluminum, steel, plastic, rubber or painted surfaces. Use it on stairs, sidewalks, driveways, bridges, ramps and loading docks where ice and snow pose a safety hazard. It also prevents the freezing of locks, chains, hinges, linkages, controls, coal conveyors and equipment. Effective to -60°F. Simply spray, sprinkle, pour or swab NEXGEN LIQUID ICE MELT onto the surface to be deiced any time after a storm to remove and loosen ice and snow. Reapply as necessary. For thin layers of ice use approximately 1 gallon per 1000 square feet. More product may be required to melt thicker layers.

### Areas of Use:

- cities
- counties
- buildings
- convention centers
- apartment complexes
- hospitals
- care facilities
- shopping centers

### Effective Against:

- frost
- snow
- ice

### Advantages:

1. Non-corrosive.
2. Leaves no residue.
3. Prevents build-up of ice and snow.
4. Effective in temperatures as low as -60 °F.
5. Ideal alternative to harmful deicing pellets.

### Directions:

Simply spray, sprinkle, pour or swab NEXGEN LIQUID ICE MELT onto the surface to be deiced any time after a storm to remove and loosen ice and snow. Reapply as necessary. For thin layers of ice use approximately 1 gallon per 1000 square feet.
