Nexgen Windshield Deicer Concentrate

Deicer

Product #GWD820

Fights ice, frost and snow for maximum visibility, less warm-up time and safer driving. NEXGEN WINDSHIELD DEICER CONCENTRATE contains special detergents to remove dirt, grime, bugs and salt residue and leaves windshields clear and streak-free. This concentrated formula allows you to choose the most economical dilution for your weather conditions – while still assuring optimum performance.

Areas of Use:

- car
- truck
- all windshield washer systems
- bus
- light rail

Effective Against:

- ice
- frost
- snow

Advantages:

1. Quickly penetrates ice and snow.
2. Provides better visibility for safer driving.
3. Cleans windshields in the summer, deices windshields in the winter.
4. Can be used all year long.

Directions:

For summer use add 1 1/2 ounces to 1 gallon of water to make a washer solution. Depending on temperature dilution rates vary. For temperatures averaging 25°F use 1 part concentrate to 15 parts water. If temperatures average 10°F use 1:4, if temps are around -5°F use 1:2 and -20°F use 1:1.

Specifications:

Classification	Liquid
Color	Clear Blue
Odor	Methanol
Boiling Point	149° F
Solubility in water	Soluble
