INDUSTRIAL PRODUCTS

Open Wide #2

Drain Opener

OPEN WIDE #2 is a powerful prilled drain opener that rapidly generates sufficient heat to attack and disintegrate most organic material. OPEN WIDE #2 holds its temperature long enough to completely dissolve most blockages. OPEN WIDE #2 contains metallic prilled beads to expedite the reaction, sending it directly to the point of stoppage. OPEN WIDE #2 liquifies and clears fats, grease, sludge, food residue, hair, coffee grounds, soap scum, slime and other matter. OPEN WIDE #2 is safe on all plumbing and has been fortified with powerful rust inhibitors to prevent corrosion.

Areas of Use:

- schools
- hospitals
- industrial plants
- recreation areas
- public restrooms
- bus stations
- airports
- railway stations
- nursing homes
- truck stops
- office buildings
- golf courses
- health spas
- warehouses
- hotels/motels

Effective Against:

- fats
- grease
- sludge
- food residue
- hair
- coffee grounds
- soap scum
- slime

Directions for Use:

Use only as directed on the label. Any other use may result in serious personal injury. Always wear face shield, safety goggles, rubber gloves, long sleeved clothing and boots when using this product.

Do not use in toilets!

Apartments/Hotels: Remove as much standing water as possible from sink or tub. Make sure water in drain is cool. 2. Slowly pour 1 heaping tablespoon of OPEN WIDE #2 Drain Opener directly into drain. Do not allow product to contact any sink or tub surface or fixture. Damage may occur. 3. Add 1 cup of cold water to drain. Immediately cover drain opening with a bowl to avoid splash back. Do not completely seal, as pressure can build up. 4. Once drain has cleared, flush with cold water.

Product #BOW109

CAUTIONS: Avoid contact with eyes, skin and clothing. For eye contact, flush with water for 15 minutes while holding the upper and lower lids open. See a doctor. For skin contact, wash affected area well with soap and water. If irritation persists, see a doctor.
