## INDUSTRIAL PRODUCTS

## Pure Force

### *Drain Opener and Maintainer*

PURE FORCE is a 100% natural solvent-based product designed to clear and deodorize clogged drain lines. PURE FORCE is environmentally friendly, and contains NO petroleum distillates, NO chlorinated solvents, NO caustics and NO acids. PURE FORCE contains a powerful blend of natural degreasers and deodorizers, formulated to out perform the conventional hazardous drain openers. PURE FORCE delivers pure product with a high-pressure spray through an extension tube that provides quick product penetration directly to the source of the problem. PURE FORCE immediately attacks greases, fats, body oils, soap scum and more. PURE FORCE works great in showers, bathtubs, sinks, garbage disposals, water fountains, drain lines, grease traps and more. Excellent for use in industrial plants, schools, hotels, hospitals, restaurants and wherever drains are a problem. PURE FORCE is the all-natural solution to today's drain problems. This product is VOC compliant in all states.

### Areas of Use:

- apartment complexes
- office buildings
- schools
- hospitals
- hotels
- nursing homes
- malls
- industrial plants
- restaurants
- sinks
- showers
- bath tubs
- garbage disposals
- drinking fountains
- drain lines
- grease traps
- floor drains

### Effective Against:

- grease
- fats
- body oil
- soap scum

### Directions for Use:

1. Attach tubing to spout.
2. Direct tube into drain as close to blockage source as possible.
3. Spray liberal amount through tube.
4. Allow time for product to penetrate and break down blockage. (For best results, allow to set overnight)
5. Flush drain.
6. After blockage is removed, spray again into drain. (To maintain a free flowing drain, periodically spray product into drain and let set for as long as possible.
