Ring King

Bowl and Bathroom Cleaner

Product #QRK406

RING KING is an easy to use, all purpose bathroom cleaner that quickly removes stains, soap scum, hard water deposits and rust from porcelain, ceramic, most bathroom metals and stainless steel. RING KING contains a unique blend of mineral acids, detergents, emulsifiers, corrosion inhibitors, perfume and a water activated color indicator. RING KING pours out in a clinging green liquid to insure complete coverage of all vertical surfaces, while the color changes to blue when rinsed with water to insure complete rinsing. RING KING fights odor causing bacteria and provides a clean surface for a sanitary environment.

Areas of Use:

- Bathrooms
- Showers
- Schools
- Hospitals
- Nursing homes
- Apartments
- Hotels
- Motels
- Public restrooms

Effective Against:

- soap scum
- body oils
- scale
- rust
- lime and mineral deposits

CAUTIONS: Do not mix with Ammonia or Bleach!

Harmful if swallowed; Harmful if inhaled; Causes severe skin burns and eye damage.

Directions for Use:

Use rubber gloves.

Use RING KING as is. Squirt generously on surface making sure to coat completely. Allow 2-3 minutes contact time. For heavy build-up scrub with a mild abrasive pad or brush. Rinse well with clear water.

Repeat if necessary. wipe dry.
