San Lube II

Food Grade Lubricant & Protectant

Product #QCA307

SAN LUBE II is a mineral oil based, food grade lubricant authorized for use by the U.S.D.A. SAN LUBE II is the modern, safe and sanitary method of lubricating dairy and food processing equipment using a USP grade lubricant. Containing no vegetable or animal fats, SAN LUBE II is safe, sanitary and tasteless. SAN LUBE II will not contaminate or taint when in contact with food products. SAN LUBE II is neutral, and will not turn rancid or stain. A special thickening agent insures that SAN LUBE II will stay put for longer lasting lubricating activity. SAN LUBE II complies with FDA Regulations, CFR Title 21, paragraphs 172.878 and 178.3620.

Areas of Use:

- Fast Service Food Preparation
